

# Geography Curriculum Progression

	KS1		KS2			
	Year 1	Year 2	Year3	Year 4	Year 5	Year 6
<b>Locational Knowledge</b>	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.	Name and locate the world's seven continents and five oceans.	<p>Locate and name the continents on a World Map.</p> <p>Locate the main countries of Europe inc. Russia. Identify capital cities of Europe.</p> <p>Locate and name the countries making up the British Isles, with their capital cities.</p> <p>Identify longest rivers in the world, largest deserts, highest mountains. Compare with UK.</p> <p>Identify the position and significance of Equator, N. and S. Hemisphere, Tropics of Cancer and Capricorn.</p>	<p>On a world map, locate areas of similar environmental regions, either desert, rainforest or temperate regions.</p> <p>Locate and name the main counties and cities in/around Devon.</p>	<p>Locate the main countries in Europe and North or South America. Locate and name principal cities.</p> <p>Compare 2 different regions in UK rural/urban.</p> <p>Locate and name the main counties and cities in England.</p> <p>Linking with History, compare land use maps of UK from past with the present, focusing on land use.</p> <p>Identify the position and significance of latitude/longitude and the Greenwich Meridian. Linking with science, time zones, night and day</p>	<p>On a world map locate the main countries in Africa, Asia and Australasia/Oceania. Identify their main environmental regions, key physical and human characteristics, and major cities.</p> <p>Linking with local History, map how land use has changed in local area over time.</p> <p>Name and locate the key topographical features including coast, features of erosion, hills, mountains and rivers. Understand how these features have changed over time.</p>
<b>Place Knowledge</b>	<p>Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.</p> <p><b>Africa</b></p>	<p>Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country concentrating on islands and sea sides</p> <p><b>Philippines</b></p>	<p>Compare a region of the UK with a region in Europe, eg. local hilly area with a flat one or under sea level. Link with Science, rocks.</p> <p><b>Rainforest</b></p> <p><b>Nepal (India)</b></p>	<p>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, and Galapagos. Rome</p>	<p>Compare a region in UK with Canada with significant differences and similarities.</p> <p><b>Canada</b></p>	<p>Compare a region in UK with Brazil with significant differences and similarities. Understand some of the reasons for similarities and differences.</p> <p><b>Brazil</b></p>
<b>Human &amp; Physical Geography</b>	<p>Identify seasonal and daily weather patterns in the United Kingdom.</p> <p>Identify the location of hot and cold areas of</p>	<p>Use basic geographical vocabulary to refer to:</p> <ul style="list-style-type: none"> <li>□ key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean,</li> </ul>	<p>Describe and understand key aspects of:</p> <p>Physical geography including Rivers and the water cycle, excluding transpiration, brief</p>	<p>Describe and understand key aspects of:</p> <p>Physical geography, including: climate zones, biomes and vegetation belts (link to work on</p>	<p>Describe and understand key aspects of :</p> <p>Physical geography including coasts, rivers and the water cycle including transpiration;</p>	<p>Describe and understand key aspects of :</p> <p>Physical geography including Volcanoes and earthquakes, looking at plate tectonics and the</p>

# Geography Curriculum Progression

	<p>the world in relation to the Equator and the North and South Poles</p> <p>Use basic geographical vocabulary to refer to:</p> <ul style="list-style-type: none"> <li>□ key physical features, including: forest, hill, mountain, soil, valley, vegetation,.</li> <li>□ key human features, including: city, town, village, factory, farm, house, office.</li> </ul>	<p>river, soil, valley, vegetation, season and weather</p> <ul style="list-style-type: none"> <li>□ key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop</li> </ul>	<p>introduction to Volcanoes and earthquakes linking to Science: rock types.</p> <p>Human geography including trade links in the Pre-roman and Roman era.</p> <p>Types of settlements in Early Britain linked to History. Why did early people choose to settle there?</p>	<p>Rainforest)</p> <p>Types of settlements in modern Britain: villages, towns, cities.</p>	<p>climate zones, biomes and vegetation belts.</p> <p>Human geography including trade between UK and Europe and ROW</p> <p>Fair/unfair distribution of resources (Fairtrade).</p> <p>Types of settlements in Viking, Saxon Britain linked to History.</p>	<p>ring of fire.</p> <p>Distribution of natural resources focussing on energy (link with coal mining past History and eco-power in D&amp;T)</p>
<p><b>Geographical Skills &amp; Field work</b></p>	<p>Use world maps, atlases and globes to identify the United Kingdom and its countries.</p> <p>Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.</p>	<p>Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.</p> <p>Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map.</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied.</p> <p>Learn the eight points of a compass, 2 figure grid reference (maths co-ordinates), some basic symbols and key (including the use of a simplified Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world</p> <p>Use fieldwork to observe and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied</p> <p>Learn the eight points of a compass, four-figure grid references.</p> <p>Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied</p> <p>Use the eight points of a compass, four-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom in the past and present.</p> <p>Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied</p> <p>Extend to 6 figure grid references with teaching of latitude and longitude in depth.</p> <p>Expand map skills to include non-UK countries.</p> <p>Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</p>
