

PROGRESS

- To provide support and resources for staff so they can engage pupils in high quality P.E. lessons within school.
- To provide staff with relevant training using PEDPASS assessment for learning.
- To enhance the quality of indoor and outdoor equipment, provision and resources in order to deliver high quality P.E. and active playtimes.

How we are spending our Sports Premium here at South Molton United C of E Primary School 2017-18

PARTICIPATION

- To continue to increase extra curriculum sporting events.
- To increase sporting events between LLC Schools and host events.
- To give all pupils opportunities to take part in extra curricular clubs in a range of sports.
- To increase the schools swimming lessons so that all KS1 are able to develop their swimming skills.
- To further develop the range of activities on offer at lunchtimes.

INTERVENTION

- To provide opportunities for all pupils to develop skills in different sports so they can take them up out of school.
 - To record and track progress of each child through P.E. Profile
- To provide opportunities for all pupils to take part in extra curricular clubs and sporting events.
