

HOME LEARNING

YEAR 2

18/11/20 – 20/11/20

Activities to do at home to support your children's learning.

Subject	Task
Well-being/Art	Continue to post as many photos and videos of all the amazing things you do at home. The children love to share. It creates a lovely connection between school life and home life.
Maths	<p>We are taking a step back, with Maths. Please watch this video again.</p> <p>https://www.youtube.com/watch?v=y5HpBskp4Hg&list=PL4nz6u_Sf6LSMsuFaes9SYnhENGDUck5E&index=5&t=75</p> <p>This time, we are focussing on adding 20, 30, 40 etc. Please practise number sentences such as: $34 + 30 =$ $22 + ? = 62$</p> <p>Upload photos to Tapestry, please.</p>
Reading	<p>Please listen to your children read to you five times, every week!</p> <p>Regular 10 minute sessions make a world of difference.</p>
Spelling	<p>Practise spelling the following Year 2 common exception words at home:</p> <p>wild; climb; most; only; both; old; cold; gold; hold; told</p> <p>We will be having spelling tests every Friday.</p>

Phonics

We have now covered all phase 5 sounds. As a class, the following phonemes (sounds) have revealed themselves as tricky

/ur/, /ea/, /aw/ and /i-e/

Please re-watch these and any others you feel your children could benefit from.
