

HOME LEARNING

YEAR 2

4/12/20 – 11/12/20

Activities to do at home to support your children's learning.

Subject	Task
Well-being/Art	Continue to post as many photos and videos of all the amazing things you do at home. The children love to share. It creates a lovely connection between school life and home life.
Maths	Time to step forwards again. Please watch this video and practise at home, with your children. https://www.youtube.com/watch?v=uI4FNOoxFOE&feature=youtu.be Upload photos to Tapestry, please.
Reading	Please listen to your children read to you five times, every week! Regular 10 minute sessions make a world of difference.
Spelling	Practise spelling the following Year 2 common exception words at home: Improve, sure, sugar, eye, could, should, would, who, whole, any, many We will be having spelling tests every Friday.
Phonics	We have now covered all phase 5 sounds. As a class, the following phonemes (sounds) have revealed themselves as tricky /ey/ and /ir/ Please re-watch these and any others you feel your children could benefit from.
