Friday 23rd April 2021

Hello from the Head!

It has been a great first week of the summer term and the children have come back with a really positive attitude to learning. It has been wonderful to be able to enjoy the lovely weather this week and to see the children enjoying the space and outdoor environment for P.E. and break times.

Basketball restarted this week and it was great to see the children in years 2 and 3 showing off their skills on Thursday. This will be continuing through this term. We have cricket "Chance to Shine" taster days on Monday and Thursday next week. A cricket coach will be coming in on those days to take an hour long session with each class to introduce them to the game and help them develop their skills. The class teacher should have emailed to let you know which day your child's class is having their session. Please could the children come into school in their P.E. kits for their session.

We are really looking forward to making this a great term for the children, full of exciting learning. An email has gone out today about clubs for this term, which will start next week. Please reply via email to sign your child up for a club. We hope that every child will be able to take part in one club over the term. Letters about Jaguar Club will come out next week.

It is great that restrictions are gradually being eased and that case rates across the country have come down so much, but please remain vigilant and continue to follow the social distancing and government guidelines to minimise transmission.

Have a lovely weekend.

Collective Worship

This half term's theme is **Justice**. We are looking at the themes of social justice, fairness as well as equality and the rule of law.

Things to Remember

- Please read with your child each night and sign their home school diary. This is the single best way of supporting their learning.
- Basketball Coaching for years 2, 3, 4, 5 and 6 is on Thursdays. Please can the children come to school in their P.E. kits on this day.
- With the better weather, please ensure your child has sun cream applied and a suitable sun hat in school.
- Please continue to pay for After School Club, Breakfast club and School Dinners in advance online. Thank you for your support in this area.

Certificates and Awards

We had our certificate assembly of the school year today. Well done to our winners.

Acorns: Max and Finley A-S

Pine: Aria

Oak: Eliza H and William B

Elm: Joe R

Apple: Oscar

Willow: Florence and Jacob

Beech: McKenzie

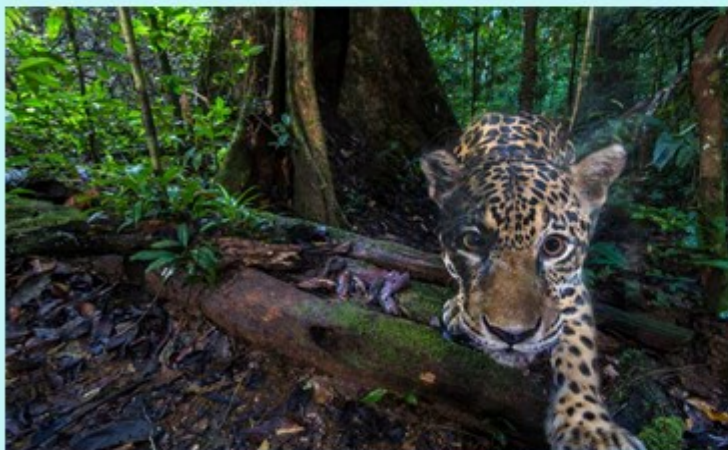

Holly: Nicole and Tony

Wordy Week

Would you rather...

...live in the Arctic circle or the Amazon Rainforest?

In my opinion...
I think... because...
I think differently... because...
I agree/ disagree with... because...

Did you know...

22nd April is Earth Day.

What do you do to look after our beautiful planet?
