Hello from the Head!

Another week has flown by and we now enter the final month of the school year. The children across the school have continued to work extremely hard. Many classes have been working on end of year assessments. It is very evident how much progress the children have made during this school year. We will report their progress and outcomes before the end of term once they are all completed.

We have another food based **"Wordy Week"** this week. Last week's discussions about the jam and cream on a scone were excellent. Some classes even got the opportunity to do some taste testing to help them with their discussions!

An email detailing **uniform requirements from September** should have come out today. Basically, we will be keeping the temporary measures for this year such as the black trainers and P.E. hoodies in place for the coming year. There is more detail in the email.

We are finalising our plans for a **transition session** for the children to spend time with their new class teacher for next year. We are anticipating that this will take place in the second to last week of term.

At the back is the information on this years summer reading challenge at South Molton library.
Have a lovely weekend.

Collective Worship

This week we have looked at some common difficulties in friendships and how good friends are there for us during difficult times as well as fun times.

Things to Remember

- Please wear a face covering on school property when dropping off / picking up.
- With the better weather, please ensure your child has suncream applied and also has a suitable sun hat in school.
- Please read with your child every day and sign their home school diary.
- Please can you return any school library books by Friday 9th July. This is for KS2 children and it is so we can complete our library exchange. Many thanks.
- There is no onsite parking during school pick up and drop off times.

Go wild for reading with the Summer Reading Challenge!

Visit your local library this summer to take part in the Wild World Heroes Summer Reading Challenge. This year The Reading Agency has partnered with WWF to create an exciting challenge which will inspire children to take action for nature and the environment. Join the Wild World Heroes for an exciting adventure in the fictional town of 'Wilderville'. Through reading books, collecting rewards and learning all about our planet, Challenge participants will help the Heroes make Wilderville a greener place to live. With stickers to collect and plenty of brilliant books to enjoy, the Challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school. Children who manage to read 6 or more books will earn a special medal and certificate.

Wild World Heroes launches on Saturday 10th July and runs until Friday 10th September 2021. You can find out more here [Devon Libraries](#)

South Molton Library is open
