

Dear SMUPS children and families,

We are ending our year at school with a week celebrating words. The Teachers have been working with the Royal Opera House to learn how to weave Dance, Arts and language experiences through the learning of a story. Our whole school shared story will be 'Alice in Wonderland'.

We are creating a class Alice in Wonderland inspired dance, having a book swap, an Art session to create our Tree of Words which will be permanently displayed in our library, going Oracy Orienteering around our school grounds and thinking of a word to describe a person we aspire to be.

Please can you help us by:

***Sending in unwanted books by Friday 16th July to be quarantined.**

***Helping your child dress up as a person they aspire to be on Wednesday 21st July.**

Many thanks for your ongoing support. We are looking forward to ending the year celebrating the power of words.

All our best,

The SMUPS Team
