## Hello from the Head!

It has been a really lovely week in school this week with lots of exciting and varied learning taking place across the classes. Despite some difficulties with staff absences, the children have coped really well and have produced some fantastic work and achievements. It has also been lovely to see the children playing really well together at lunchtimes and enjoying lots of different games together and making use of the school field.

On Monday after school we hosted Exmoor Link for a year 3 and 4 football match. The team played really well, scoring some great team goals, passing the ball well and working well as a team. **We won the game 8-0.** More fixtures will be coming up soon and we would like to give as many children as possible the chance to play.

Next Friday (weather permitting) we are hoping to begin a series of weekly lunchtime sports tournaments and activities for all the children to take part in. We will talk to the children about these on Monday and an email will follow with details.

One of the highlights of the week was year three's activity day down at Rock and Rapid on Thursday. The children did brilliantly in overcoming fears and working as a team. Well done Year 3. Another highlight was year four's soup making as part of their DT and history work. **Photos are later in the newsletter.**

We hope you have a lovely weekend.

## Collective Worship

Our theme for this half term is humility. On Monday, we looked at some examples of humility.

On Wednesday, the church team told the children the parable of the lost coin.

## Things to Remember
